

CALIBER *Cheer* STARZ

TRYOUT PACKET

**2021-2022
SEASON**

Welcome to our Caliber family

Welcome to the Caliber Cheer Starz competitive cheerleading program! We are excited that you are interested in joining our cheer family during our 11th season of competitive cheer! Our goal is to not only train highly competitive teams but to instill important life skills such as teamwork, commitment, time management, goal setting, etc.

These are all important skills to our caliber family that we feel make our athletes more prepared for their future, inside and outside of the cheer world.

Meet our leadership team

Carley Ungerecht is our cheerleading director. It is her 7th season with Caliber and her 12th season coaching cheer and tumbling. She cheered for 14 years which included school cheer, all-star cheer, and collegiate cheer.

Casey Moore is the Assistant cheer director. Casey started cheer at the age of 4. This is Casey's 5th season with Caliber. She has competed up to the collegiate level for school and ended her all-star career on a worlds team.

ALL-STAR COMPETITIVE TEAMS

***The all-star cheer program requires a strong time and financial commitment.

- Will practice 2 hours twice a week, plus a 1 hour tumbling class once a week (\$225/month)
- Attend 8-10 competitions throughout the competitive season
- Traveling outside of the Houston area, and possibly out of state for nationals
- Mandatory team choreography camp will be held during Summer

ALL-STAR PREP AND NOVICE TEAMS

All-star prep teams are a great introduction into the sport of competitive cheer. They have reduced time and financial commitments. These athletes will learn a routine that includes tumbling, stunting, jumping, and dance just like our regular all-star teams. The difference is that their routine is shorter and they will attend less competitions than our all-star athletes. Being on this team will give athletes exposure to a competitive atmosphere, while learning how to work together to achieve a common goal.

- Will have a 2-hour practice once a week, plus 1 hour tumbling class once a week (\$188/month)
- Approx. 6 competitions for the competitive season
- Competitions will be mainly located in the greater Houston area.
- Mandatory team choreography camp will be held during summer
