## SCHOOL-AGE GYMNASTICS & TUMBLING

**Administrator: Kevin Reiland (Safety Certified) Program Director: David Ungerecht (Safety Certified)**

*The proper foundation for great fun and awesome gymnastics begins at Rowland/Ballard. We provide gymnastics instruction in all Olympic events for boys and girls. Our gymnastics program is based on a proven progressive training system with set skills designed for each level. Our state of the art facility is loaded with great equipment and a professionally trained staff. Our coaches strive to maximize the benefits for each child by balancing all the elements of enjoyment, discipline, and increased self-esteem right along with skill development. We have been teaching children gymnastics for over 40 years!*

**GYMNASTICS CLASSES:** The Rowland/Ballard gymnastics program introduces children to the fundamental concepts, skills, movement, and body shapes. We do this by carefully designing our training curriculum and by using innovative teaching methods. Each level is designed to help our students learn and improve new gymnastics skills. As students move into more advanced skills; coaches will emphasize strength, flexibility, continued balance development, and new skill introduction. Our primary goal is to use gymnastics instruction and advancement as a way to help develop healthy, happy, and confident children.

**G1 / B1** – This entry level of gymnastics introduces new gymnasts to the fundamental skills, concepts, and body shapes.

**G2 / B2 / G3** - This intermediate/advance level is a continuation of Level 1 elements into more advanced gymnastics skills. At this level our coaches will emphasize strength, flexibility, continued balance development, and new skill introduction. The purpose for each class is to help our athletes learn new things and improve their technique on the skills they already can perform.

**TUMBLING CLASSES:** The Rowland/Ballard tumbling program offers the most advanced class development and technical instruction. Our technical expertise and unmatched facility / equipment allows our tumblers to advance beyond the basic tumbling levels. Great tumbling technique is the only way to achieve advanced tumbling skills. Our instructors are the very best at challenging students to grow beyond the basic elements and attain the higher tumbling skills needed to compete.

**TUMBLE CUBS 5-7 & TUMBLE TIGERS 8-11:** This class has been specifically designed for our younger tumblers.

**ELITE TUMBLE TIGERS:** The young tumblers in this group must be able to perform a flip-flop with NO spot.

**BEGINNER TUMBLING:** New to floor tumbling. This class will train cartwheels, round-offs, flip-flops, and round-off flip-flops.

**INTERMEDIATE TUMBLING:** Must be able to perform round-off, cartwheel, and may need lite spot with flip-flop

**ADVANCED TUMBLING:** Athletes in this group must be able to perform (2) flip-flop with NO spot.

**SUPER CHEER TUMBLING:** Our Super Cheer Tumbling class offers an intensified training opportunity for serious cheerleaders. These students will be challenged in tumbling, cheer elements, and conditioning.

**FRIDAY FUN GYM 7:00 - 9:30:** Parents, you've worked all week and you're ready for a date night. Let R/B help by providing a fun place for kids to have a great time. All Rowland/Ballard students (ages 4 and up) are invited to attend Friday Fun Gym. This supervised event is loaded with gymnastics, games, and special contests.

\* \$15.00 for all registered students.

\* The guest fee is \$25.00 with a completed and signed participation form.

**BIRTHDAY PARTIES:** Rowland/Ballard birthday parties are simply the best! We maximize the fun for kids and minimize the work for parents. Each party lasts 1.5 hours with a full hour dedicated to gymnastics fun and games! The final 30 minutes are used for the cake and gift time. A trained staff member will lead the party. You provide the cake and drinks, we'll provide the amazing fun for your party!
