

To do list before Caliber Cheer tryouts:

1st: Read over the entirety of the packet.

2nd: Register on the parent portal for the session your athlete will be attending.

3rd: Sign the code of conduct page as well as the tryout information page and turn it in to the front desk.

On the day of tryouts, your athlete needs to arrive 30 mins early dressed in all black. We will be placing a number on their shorts, that number will be posted on Facebook with the workgroup your athlete made. You will then need to go on the RB Parent Portal to enroll your athlete in the appropriate workgroup.
